EDUCATION

CVR College Of Enginnering   Hyderabad
Bachelor of Technology in Computer Science and Engineering | 9.5 CGPA   2021 - 2025
Sri Chaitanya Junior College   Hyderabad
Secondary School Certificate | 98.2 percentage   2021

PROJECTS

Collaborative Code Editor   Link to Demo

The Collaborative Code Editor project aims to develop a web-based application that enables programmers to work together on code in real-time. The application provides a seamless and efficient environment for collaborative coding, allowing multiple users to edit the same code file simultaneously, see each other's changes in real-time, and communicate through built-in chat functionality.

Portfolio   Link to Demo

Designed and developed a personal portfolio website to showcase my skills, projects, and experience in a visually appealing and user-friendly manner. Utilized HTML5, CSS3, and JavaScript to create a responsive and interactive web application.
